

Kipling Garden Package

Celebrate in style at Junior King's School, a stunning and historic venue sitting on the banks of the River Stour within eighty acres of beautiful Kent countryside. This hidden gem of a venue offers couples the perfect "Garden of England" backdrop for your special day.

Arrive through the main gates and follow the drive towards the 16th century Manor House with 'secret' garden and orchards. The Tithe barn sits proudly on the manicured lawn and is one of the oldest buildings on the Junior King's site, dating as far back as 1580.
